“I welcome our patients at our new location” says Dr. Klimas. “...The building is “green” with all sorts of energy saving devices and an emphasis on recycling. The materials were picked for low probability of out gassing, so my chemically sensitive patients should be pleased...7th floor pictured in the right upper corner below, it’s a green glass building directly across from the international health center and MRI buildings.”

Parking: Garage available - \$1 per half hour - \$8 Daily Max
Handicapped parking is \$3.00 Daily Max.

Amenities: The healthy Mediterranean café is located in the Clinical Research Building (CRC) (where Dr. Klimas’ offices are) on the 9th floor. See map below for details location for additional parking, the Wellness Center Building (P) and the Clinical Research Building (CRC).
